On July 1st 1883 the use of red warehousing stamps was discontinued, and the remaining strips were recalled by the “Inland Revenue Department”.

[Chris Ryan, “Canadian Revenue Newsletter”, No. 40, of December 2002]

“Passage of the 1880 Statute affected the *large* tobacco stamps in significant ways. The first effect was the deletion of the reference on the stamps to the previous Statute “XXXI VICTORIA / CHAPTER VIII”. On July 1st 1880, BABN was instructed by the Revenue Department to remove all reference to the old statute from the existing printing plates.”
